Ways to Carry

Safety Warning

This pet carrier is for transporting pets only, not as a toy or permanent habitat. Keep it out of reach of children and pets when not in use. Train your pet to feel comfortable in it before travel and do not leave them unattended inside. Use the internal D-ring only when the carrier is open. Secure the carrier in the backseat when in a car. Regularly inspect it for any damage and stop using if parts become loose. Keep away from heat or flames. Confirm size requirements with your airline before travel.

Care Instructions

- Remove the stability board and faux fleece lining before cleaning.
- To clean the carrier, soak it in hot, soapy water and air dry.
- To clean the double-sided cover, machine wash in cold water on a gentle cycle, then air dry.
- Spot clean the stability board with soapy water or a pet odor cleaner. Do not submerge the stability board in water.
