

Bella & Pal® SnugNest Classic Dog Bed – User Manual

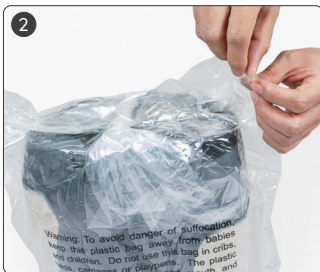

Thank you for choosing Bella & Pal®.

Follow the steps below to properly set up and maintain your dog bed, ensuring lasting comfort and optimal hygiene for your pet.

🔑 Unpacking & Setup

- 1 **Remove from Packaging.** Take the compressed bed out of the box and carefully cut open the plastic wrap without damaging the fabric or foam.
- 2 **Let It Unfold.** Place the bed on a flat surface and let it unfold naturally. Keep pets and hands clear as it may expand quickly. Keep pets and hands clear during this step.
- 3 Let the bed sit for 24–72 hours to fully expand. Gently pat or shake to speed up the process.

Note: Initial odor is normal and will fade with ventilation.

🔑 Cleaning & Care Instructions

To maintain hygiene, you can wash the outer cover periodically by following these steps to disassemble and reassemble the bed.

Disassembly

Unzip the bottom cover and remove the foam base.

Unzip the bolster section and remove the bolsters.

Washing Instructions:

- Remove foam and bolsters before washing.
- Machine wash the cover cold, gentle cycle.
- Air dry flat or tumble dry low.
- Do **NOT** bleach or iron.

Reassembly

Insert the foam base and zip the bottom closed.

Insert bolsters, then zip the bolster section.
